

## IL 18 RIVER BRIDGE PROJECT

# You're Invited

## Open House Public Meeting to Present the Range of Alternatives

The Illinois Department of Transportation is evaluating potential improvements to the IL 18 Bridge over the Illinois River at Henry.

The study limits extend along IL 18 from the intersection of School Street and 3rd Street on the west to the intersection of IL 18 and IL 26 on the east. The IL 18 Bridge is a critical transportation link providing access across the Illinois River for the City of Henry, Marshall and Putnam counties, and the surrounding region. The bridge is 88 years old and is approaching the end of its repairable life.

This meeting will provide an update on the status of the IL 18 River Bridge Project; present the range of alternative alignments for the project; and obtain public input on these project alternatives. All persons interested in this project are invited to attend. The meeting will be conducted on an informal basis with project displays and other information available for viewing. IDOT representatives will be available to explain the project and answer questions. No formal presentation will be given.

The public is encouraged to submit comments.

### Open House

#### IL 18 RIVER BRIDGE PROJECT

Wednesday June 29, 2022  
5 p.m. – 7 p.m.

#### Henry United Methodist Church Fellowship Hall

225 Lincoln Street  
Henry, Illinois 61537
